Remember to let Charlie Meyer know if you need additional Raffle Tickets. As you sell what you have be sure to get the stubs and money collected to Charlie as well. At the meeting on November 12th, Charlie handed over \$1,135 in proceeds to be deposited. Great work so far!

As some activities are seeming to run their course, we'd like to pick up others in their place. We've recently formed a new Donut Team and we'd like to have others lead some additional events/activities. Some of the options that have been discussed include Coats for Kids (this is a

program already in place through Supreme and seems to be pretty well laid out for someone to lead), activities and opportunities to work with our schools and youth (Amy Burns, our Youth Minister is excited to work with us and has several ideas), Habitat for Humanity, Food for Families Program (another established program through Supreme), others?? Please let Dave Andrea or any officer know if you're feeling that tap on your shoulder to step up and help out!

Recruitment: We really need to work on increasing our membership with younger and active men. We've done recruiting drives before masses in the past and it's worked okay, but we really need to step up our game and come up with some other ways of bringing in others to help us in our good works. If you've already reached out to any interested men or have ideas on how to recruit others, please let any officer know and we'll get the ball rolling on getting them admitted to our council.
